55. A method for guaranteeing a consumer a best price on an item purchased from a vendor in a consummated final first transaction at a first price, the method comprising

recording the first price and information identifying the consumer;
monitoring the sales price of the item for a predetermined time period after purchase of the item by the consumer in the consummated final first transaction;

noting any price lower than the first price for the item during the predetermined time period following the purchase of the item;

calculating a money-value difference between the first price and said any price lower than the first price; and
